

# Fossil Fish Dig

Time to go Fishing for Fossils!  
Bring an Authentic Hands-on Paleontology Experience  
From the Quarry Directly into Your Classroom

**The Offer:** We will deliver fossil-bearing rock, collected from a working quarry near Fossil Butte NM in Wyoming, directly to your school. Your students will have an authentic hands-on experience splitting the rock and also experience preparing, preserving and identifying 52 million-year-old fish as if they were in the field. *Matches Utah SEEds 4.1.3 and 4.1.4*

## Step 1: Pick Your Pile

Fossil rock comes in 75 lb boxes. Individual rock slabs weigh 10-30 pounds. You'll also receive a bag of 25 partial fish chips with each 75 lb. box. Everyone gets a fish!

**75 Pounds of Rock: \$ 155.**

Perfect for a Classroom

**150 Pounds of Rock: \$ 265.**

Great for 2 or 3 Classrooms

**500 Pounds of Rock: \$ 750.**

Ample for Family Science Night

## Order Your Rock

Tell us how many pounds of rock you would like. We have a total of 5 tons. It is first come, first served.

## Want Extra Fish Chips?

No problem. Extra fossils are available in the following quantities and prices:

**Bag of 25 for \$ 35.00**

**Box of 200 for \$ 205.00**

## How About Spitting Wedges?

The same wedges they use in the quarry are available for \$15 each and will be delivered with your rock. When you are done you can keep them for next year or mail them back to us and receive a full refund.

## Free Delivery? Sure!

Schedule a delivery date between now & April 22, 2024 and delivery is free. (After that add a \$ 50 delivery fee or you can come grab it from our warehouse in Sandy).

## Step 3: Start Fishin'!

Preview the lab write-up and ID key. It will be sent to you via email after you order. Holler if you have any questions.

Borrow some hammers, head outside and explore away. Or spread out a big tarp and have fun splitting the rock inside.

## Celebrity Has Its Rewards

Take pictures of your kids during the activity. Email them to us by June 1., 2024. Classrooms submitting one of the top five photos selected for next year's flyer will receive a voucher redeemable for 75 lbs of host rock for the 2024-25 school year.
